# JOIN OUR VIRTUAL INTERNATIONAL CONVERSATION TABLES

## MAKE NEW FRIENDS

Meeting new friends is not that easy. Meeting new friends who speak another language is even harder. How about getting together, getting to know some new people, and getting better at your foreign languages?

Join our Virtual International Conversation Tables, a Businet members initiative. Not a classic language class, but a lively chat with your peers.

We offer you a safe, friendly, and casual place to practise a foreign language and to meet new people. And maybe, one day, you will be able to meet in real life.

## HOW?

Imagine a virtual table with a few other students. You will talk in your own language for 45 minutes and in another language of your choice for the other 45 minutes.

We will give you icebreakers and topics for each session to keep the conversation going but you'll have to bring your own drinks and snacks.

**Learn from each other  
and dare to talk!**
